FAR launches investigative series by Joan Altabe

Fine Art Registry™ columnist, art critic, artist and FAR member Joan Altabe is taking on the role of investigative reporter! We are proud to launch her new series of in-depth articles peering into the nooks and crannies of the art world. You'll be surprised at what you find out. Read *Provenance and Connoisseurship* [here](#).

New DVD Introducing FAR to Artists Available Free to All Members

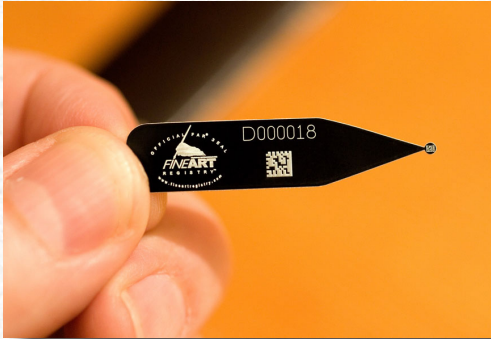

To help you introduce FAR to your friends and fellow artists, we have produced a DVD giving a detailed look at the benefits of Fine Art Registry for all artists. View it right now on the FAR website [home page](#). FAR members can receive a free copy by writing to admin@fineartregistry.com.

Featured Artist Christian Early

This is more than a story about an artist and his art. For Christian Early was diagnosed with autism at the age of two. When you look at his portraits of animals, each possesses a distinct personality, the colors intense. Read the full profile of Christian [here](#) and see his dramatic paintings [here](#).

Coming Soon!

A new Fine Art Registry™ tagging technology. A tiny Fine Art Registry tag for smaller items or more covert identification. (Does not replace the FAR tag!).
